

**Northern Leasing Systems Sponsors
2008 Winter Retreat in Mount Snow, Vermont**

*Leader in the equipment finance industry turns up the heat
at the longest-running regional show in the industry*

NEW YORK, January 28, 2008 – The Northeast Acquirers Association will host its annual winter conference January 29 – 31, 2008, at the Grand Summit Hotel in picturesque Mount Snow, Vermont. The event will feature speakers, exciting recreational activities and exhibitions by top vendors.

Northern Leasing Systems, Inc. (www.northernleasing.com), the leading provider of third-party micro-ticket equipment leasing services in the United States, is the title sponsor for the widely popular Snow Barn event that will take place during the second day of the seminar in the Somerset Ballroom.

The Snow Barn will provide a welcome respite from a day of seminars. Karaoke, raffles, games and dancing are just some of the attractions planned for the evening.

About Northern Leasing Systems, Inc.

Northern Leasing Systems, Inc., www.northernleasing.com, founded in 1991, is an established provider of third-party equipment leasing services that enable business owners to finance point-of-sale and other key equipment components of their business operations. The company's primary focus is to provide financing for the credit card authorization equipment market for small- and medium-sized businesses by financing the leasing of equipment selected by its customers from independent equipment suppliers.

About The Northeast Acquirers Association

The Northeast Acquirers Association (NEAA) was founded with one primary objective - to serve as an Educational Forum for Financial Institutions and ISO/MSPs/MLSs in the acquiring industry. It receives and communicates information on the latest technology, hottest topics in the

payment industry and new changes to rules and regulations from the various Card Associations. NEAA is focused on providing this forum in the most economical way so all can take part in the educational and networking opportunities. NEAA is a not-for-profit association.
